**Re: American Electric Power Service Corporation
Docket No. ER17-406-000**

Dear Secretary Bose:

American Electric Power Service Corporation, on behalf of its affiliates, AEP Appalachian Transmission Company, Inc., AEP Indiana Michigan Transmission Company, Inc., AEP Kentucky Transmission Company, Inc., AEP Ohio Transmission Company, Inc., and AEP West Virginia Transmission Company, Inc. (collectively referred to herein as the “AEP East Transmission Companies”), hereby submits for filing for informational purposes a 2018 projected annual transmission revenue requirements (“PTRR”). This PTRR is submitted pursuant to revised Attachment H-20 of the PJM Interconnection, LLC (“PJM”) Open Access Transmission Tariff (“OATT”), which was accepted by the Federal Energy Regulatory Commission by letter order issued on March 10, 2017 in the above-referenced docket, subject to hearing and settlement procedures. The PTRR includes fully populated Microsoft Excel files with formulas intact.

The PTRR attached hereto has been submitted to PJM for posting (and publication, pursuant to AEP’s revised protocols) on the PJM website at:

<http://pjm.com/markets-and-operations/billing-settlements-and-credit/formula-rates.aspx>

A copy of the notice of such posting was provided to PJM, PJM customers, and the parties in this docket, and to all affected state commissions of October 31, 2017.

The 2018 PTRR is effective January 1, 2018. The PTRR contains no expenses or costs that have been alleged or judged in any administrative or judicial proceeding to be illegal, duplicative, or unnecessary costs that are demonstrably the product of discriminatory employment practices, as defined in 18 C.F.R. § 35.13(b)(7). In addition, the AEP East Transmission Companies have made no material changes in

their accounting policies and practices from those in effect during the previous Rate Year and upon which the current rate is based.

AEP will host a webinar and teleconference meeting from 3:00 p.m. to 4:00 p.m., (EST) on December 8, 2017, to afford interested parties the opportunity to discuss the PTRR. Information regarding this meeting will be available at:
