Eligibility for Charitable Contributions

To be eligible for AEP Ohio contributions, organizations must be tax exempt under section 501 (c) (3) of the Internal Revenue Code and benefit communities within AEP Ohio's service territory in Ohio.

Organizations receiving contributions must be in compliance with the Equal Employment Opportunities Act and other federal, state and local laws and regulations.

AEP, its affiliates and the AEP Foundation provide donations or grants only to organizations that do not, either through constitution or any written policy, discriminate against others on the basis of political affiliation, religious belief, age, disability, ethnicity, gender, gender identity, national origin, race or sexual orientation. Each organization applying for support must affirm in its funding request or in the AEP or AEP Foundation on-line grant application that it does not discriminate in this manner.

AEP Ohio contributions are awarded with the understanding that AEP Ohio, at any time, can make public its financial investment in your organization as we look to strengthen community-based relationships in our service territory.
